Sirs:

Re: "Israel of God HOLITICAL Campaign (Super) PAC

The above referenced committee is being formed as a Super PAC which intends to make unlimited independent expenditures; and consistent with the U.S. court of appeals for District of Columbia decision in SpeechNow V FCC, it therefore intends to raise funds in unlimited amounts.

This committee will not use these funds to make contributions, whether direct, in kind, or via coordinated communications, to Federal Candidates or Committees; but will among other Political/Spiritual (i.e., "HOLITICAL") campaign-related uses specifically challenge Faith-professing candidates to take very seriously their oath, as a solemn oath and a Holy Covenant with the Judge of the Universe, sworn before the Holy Angels, and witnessed by His faithful servants the world over.

Thanks for your cooperation.
